

Gilbert Gilkes & Gordon Ltd

Candidate Brief

Background

Gilkes delivers innovative, single source solutions to the Small Hydropower & High Horsepower Engine markets.

Working meticulously with our customers to ensure the very best in product design, total cost of ownership & operational excellence, our range of hydropower turbines and engine cooling pumps deliver solutions to meet the most demanding of technical specifications and environments.

With international credentials earned in over 85 countries, a Royal Warrant and over 165 years of design and manufacturing experience behind us, we are small enough to be agile and responsive, whilst large enough to have the technical and engineering competence needed to be one of the world's leading brands.

Headquartered in Kendal in the English lake district, Gilkes is an independently owned business with circa 160 employees across the world.

We have manufacturing sites in Kendal and Houston, Texas as well as a sales office in Tokyo, Japan.

Our Purpose

Our values-based approach has been shaped from a 165 year heritage as a family-owned business. We believe in developing ethical business relationships with a positive environmental focus that bring about long-term sustainable success. Our people are committed to ensuring that Gilkes' products make a meaningful difference & provide a platform for the transition to a low carbon economy.

People & Culture

We strongly believe that our people are the ultimate differentiator & are at the heart of everything we do. It is their passion, creativity, hard work & dedication that enables Gilkes to grow & prosper.

Gilkes invests in its people & in developing a positive organisational culture.

Our four key values are:

- Teamwork
- Integrity
- Excellence
- Commitment

Current Position & Context

Gilkes is moving fast to adapt to an ever changing economic environment, ensuring we continue to be relevant in our chosen markets.

The organisation recently carried out a strategic review & adjusted its cost base in response to the pandemic.

Pumps is seeing growth & we have had huge interest in our new small marine pump from all of the big players including Caterpillar, Volvo, Scania & John Deere.

The small Hydro market is trending towards energy recovery & we are well placed to fully exploit this with our current product portfolio.

The Hydro aftermarket, especially in the UK, offers real growth prospects for Gilkes and we are aligning Service, Modernisation and Electrical to take full advantage of these opportunities.

Our Business Model & Strategy

<p>What we do...</p> <p>We leverage opportunities through our expertise, dedication & agility</p>	<p>Client Acquisition & Development</p> <ul style="list-style-type: none"> • Our customer-facing teams build & maintain a dialogue with clients based on openness & transparency • We build & maintain our customer relationships based on ethical behaviour 	<p>Project Delivery</p> <ul style="list-style-type: none"> • Our aim is to deliver projects 100% on-time-in-full • A formal process exists to ensure the most efficient use of resources & competencies 	<p>Product Life Cycle Management</p> <ul style="list-style-type: none"> • We actively manage & support our products as they transition through their life cycle from New >> Spares >> Service >> Refurbishment
<p>How we do it...</p> <p>We continually improve our products & services to support our customer's success</p>	<p>Customer Service</p> <ul style="list-style-type: none"> • When required by our customers, we go the extra mile without question • We stand by our products & believe in doing what we said we would do 	<p>Focus on Productivity</p> <ul style="list-style-type: none"> • Business Excellence is embedded throughout the organisation • We critically review our end-to-end business processes to eliminate non value-added practices 	<p>Expanded Offerings</p> <ul style="list-style-type: none"> • Expanding our product offerings to meet our customers' needs • Offering solutions with unique value propositions
<p>Our competitive advantage...</p> <p>We strive to maintain a high performance workplace for our employees to excel</p>	<p>Our People</p> <ul style="list-style-type: none"> • We believe our people are the ultimate differentiator • We are working to create a culture of empowerment & achievement 	<p>Our Processes</p> <ul style="list-style-type: none"> • High productivity is a competitive advantage • Our processes are designed & managed to optimise stakeholder value 	<p>Our Agility</p> <ul style="list-style-type: none"> • We use mechanisms to identify changes in the external environment & translate these into potential opportunities • We are continually developing our technology portfolio to meet these opportunities

The Appointment

Role Title	Measurement Technician
Reporting to	Production Engineering Manager
Company	Gilbert Gilkes & Gordon Ltd
Website	www.gilkes.com
Based	Kendal, Cumbria
Remuneration	£21,502 to £26,562 (depending on experience)
Other Benefits	Generous pension scheme, on-site parking

Overview

Gilkes is looking to appoint an experienced Measurement Technician who will provide excellent metrology service levels to internal and external customers. Helping the company achieve and maintain quality and OTIF standards.

Responsibilities

- Undertaking First off inspection
- Undertaking Process sampling
- Producing inspection reports
- Inspecting subcontracted and purchased parts
- Processing inspection documentation from both internal and external sources
- Controlling non-conforming product identification, processing and disposition.
- Calibration
- Participating in learning and development opportunities following the introduction of new measurement and technological advances – both as a trainer and trainee

Person Specification

Gilkes is looking for an organised and reliable team player who can bring energy, commitment and positivity to a well-established team.

With a solid work ethic and a can-do attitude, diligence and reliability will be essential in providing support.

The Role

Reporting directly to the Production Engineering Manager, you will work closely with the operations department. In this role you will be responsible for ensuring improvement in the quality, efficiency and effectiveness of productions processes by providing inspection support.

Expectations

- Pro-actively contribute to the smooth running of the operations department
- Represent Gilkes positively & appropriately
- Uphold the company's code of conduct
- Do not engage in any activity which could be detrimental to Gilkes

Experience/personal skills

- Minimum GCSE grades A – C in English and Mathematics or equivalent qualification
- HNC level in production or production/manufacturing related subject is **desirable**
- Trained in the used of First Principal measuring instruments – CMM and Faro Arm
- Ability to assess, read and interpret engineering drawings, standards and specifications with a working knowledge of geometric tolerancing and surface finish requirements
- Strong functional skills - specifically experience in Microsoft Excel, Word and Access and file inspection documentation
- Working knowledge of relevant technical and ERP Systems, e.g. IFS and other relevant systems
- Ability to provide accurate data in a fast-paced production environment
