

Gilbert Gilkes & Gordon Ltd

Candidate Brief

Background

Gilkes delivers innovative, single source solutions to the Small Hydropower & High Horsepower Engine markets.

Working meticulously with our customers to ensure the very best in product design, total cost of ownership & operational excellence, our range of hydropower turbines and engine cooling pumps deliver solutions to meet the most demanding of technical specifications and environments.

With international credentials earned in over 85 countries, a Royal Warrant and over 165 years of design and manufacturing experience behind us, we are small enough to be agile and responsive, whilst large enough to have the technical and engineering competence needed to be one of the world's leading brands.

Headquartered in Kendal in the English lake district, Gilkes is an independently owned business with circa 160 employees across the world.

We have manufacturing sites in Kendal and Houston, Texas as well as a sales office in Tokyo, Japan.

Our Purpose

Our values-based approach has been shaped from a 165 year heritage as a family-owned business. We believe in developing ethical business relationships with a positive environmental focus that bring about long-term sustainable success. Our people are committed to ensuring that Gilkes' products make a meaningful difference & provide a platform for the transition to a low carbon economy.

People & Culture

We strongly believe that our people are the ultimate differentiator & are at the heart of everything we do. It is their passion, creativity, hard work & dedication that enables Gilkes to grow & prosper.

Gilkes invests in its people & in developing a positive organisational culture.

Our four key values are:

- Teamwork
- Integrity
- Excellence
- Commitment

Current Position & Context

Gilkes is moving fast to adapt to an ever-changing economic environment, ensuring we continue to be relevant in our chosen markets.

The organisation recently carried out a strategic review & adjusted its cost base in response to the pandemic.

Pumps is seeing growth & we have had huge interest in our new small marine pump from all of the big players including Caterpillar, Volvo, Scania & John Deere.

The small Hydro market is trending towards energy recovery & we are well placed to fully exploit this with our current product portfolio.

The Hydro aftermarket, especially in the UK, offers real growth prospects for Gilkes and we are aligning Service, Modernisation and Electrical to take full advantage of these opportunities.

Our Business Model & Strategy

<p>What we do...</p> <p>We leverage opportunities through our expertise, dedication & agility</p>	<p>Client Acquisition & Development</p> <ul style="list-style-type: none"> • Our customer-facing teams build & maintain a dialogue with clients based on openness & transparency • We build & maintain our customer relationships based on ethical behaviour 	<p>Project Delivery</p> <ul style="list-style-type: none"> • Our aim is to deliver projects 100% on-time-in-full • A formal process exists to ensure the most efficient use of resources & competencies 	<p>Product Life Cycle Management</p> <ul style="list-style-type: none"> • We actively manage & support our products as they transition through their life cycle from New >> Spares >> Service >> Refurbishment
<p>How we do it...</p> <p>We continually improve our products & services to support our customer's success</p>	<p>Customer Service</p> <ul style="list-style-type: none"> • When required by our customers, we go the extra mile without question • We stand by our products & believe in doing what we said we would do 	<p>Focus on Productivity</p> <ul style="list-style-type: none"> • Business Excellence is embedded throughout the organisation • We critically review our end-to-end business processes to eliminate non value-added practices 	<p>Expanded Offerings</p> <ul style="list-style-type: none"> • Expanding our product offerings to meet our customers' needs • Offering solutions with unique value propositions
<p>Our competitive advantage...</p> <p>We strive to maintain a high performance workplace for our employees to excel</p>	<p>Our People</p> <ul style="list-style-type: none"> • We believe our people are the ultimate differentiator • We are working to create a culture of empowerment & achievement 	<p>Our Processes</p> <ul style="list-style-type: none"> • High productivity is a competitive advantage • Our processes are designed & managed to optimise stakeholder value 	<p>Our Agility</p> <ul style="list-style-type: none"> • We use mechanisms to identify changes in the external environment & translate these into potential opportunities • We are continually developing our technology portfolio to meet these opportunities

The Appointment

Role Title	IT Applications Support Analyst
Reporting to	Finance Director
Company	Gilbert Gilkes & Gordon Ltd
Website	www.gilkes.com
Based	Kendal, Cumbria
Remuneration	£26,533 - £42,230
Other Benefits	Generous pension scheme, group life assurance & more

Overview

Gilkes is looking to appoint a reliable, driven and enthusiastic IT Applications Support Analyst to take responsibility for the technical support of our IFS ERP suite of software.

Reporting to the FD, the role sits within the IFS Applications Support Team as part of the wider IT group and has regular liaison with business process owners, Senior Management and third-party support providers.

Responsibilities

- Provide day to day support for IFS system & other related applications via Helpdesk
- Analyse business requirements from a technical perspective to further develop the IFS system
- Monitor, report & fix operational problems, service disruption and irregularities
- Deploy patches and software upgrades as required
- Manage user admin, permissions & system security
- Develop & maintain reports, lobbies & custom fields
- Maintain system set-up & configuration documentation

Person Specification

You will possess the technical knowledge to maintain and support the IFS system and drive technical improvements, alongside the skills and patience to undertake day to day support activities.

You will be self-motivated and able to work effectively both autonomously and as part of a team.

The Role

This role supports the efficient and effective operation of the Group's ERP system and supporting applications.

Expectations

- Manage & maintain the IFS system to agreed standards
- Support a technical upgrade from IFS Apps 9 to 10 during 2022
- Work proactively with users to further develop the system to drive process efficiency
- Mentor other team members
- Work closely with the wider IT Group to drive the use of IT to improve process efficiency

Experience/personal skills

- GCSEs in English & Maths at Grade 6 or equivalent
- Minimum 1-2 years' experience supporting IFS or similar ERP system from technical perspective
- Wide range of the IFS technical skills including reporting, lobbies, custom objects, data migration, SQL, user security & system administration
- Strong analytical & problem-solving skills
- Ability to prioritise reactively & solve problems under pressure
- Excellent communication skills, with the ability to explain technical concepts in a user-friendly way.
- Good team skills with the ability to build relationships across the business
