Overview

Gilkes has an exciting opportunity for an enthusiastic and motivated **Planner** to join our supply chain department at our Head Office in Kendal, Cumbria.

This role requires the ability to change plans swiftly in an often fast paced and time pressured environment whilst maintaining a steady and efficient plan. You will require good analytical skills with the ability to understand the logic of demand and supply within MRP.

Responsibilities

- Create and maintain resource calendars for the Service and Hydro teams.
- Release and allocate both in house and external orders to ensure the successful build, installation, and servicing of Hydro Equipment.
- Ensure inventory is issued and controlled on all relevant shop and work orders.
- Maintain a high level of housekeeping within the internal ERP system to ensure the correct flow of information to other stakeholders within the business as well as accurate collection of cost and data.
- Communicate with both internal and external customers where necessary.

Person Specification

Gilkes is looking for a highly organised and confident individual to effectively interact with teams across the business.

The role

Reporting to the Supply Chain Manager you will be working closely as a team member on Hydro projects and scheduling the Hydro Service department; planning resource located around the country to maintain customer equipment on site, plus co-ordinating breakdown assistance. The role has the following key elements:

- **Data Management:** transacting accurate information within the ERP system essential, enabling the success of the overall plan and accurate budgeting for the business.
- **Communication and Collaboration:** the Planner is integral to the workings of Gilkes operations, and you will need to acquire good communication skills and a depth of understanding of key departments to successfully execute weekly plans and events seamlessly.

Experience & Knowledge

- Advanced levels of numeracy and literacy (A level, NVQ level 3 and 4 or equivalent).
- Proficiency with Microsoft Office; especially Excel.
- Preferred working knowledge of relevant ERP systems, E.G. IFS.
- Strong communication skills are required.
- High levels of tact and diplomacy in all written and verbal communications.
- Excellent attention to detail.

To apply, please forward your CV to recruitment@gilkes.com. We reserve the right to close this vacancy early if we receive sufficient applications for the role.

Background

Gilkes delivers innovative, single source solutions to the Small Hydropower & High Horsepower Engine markets.

Working meticulously with our customers to ensure the very best in product design, total cost of ownership & operational excellence, our range of hydropower turbines and engine cooling pumps deliver solutions to meet the most demanding of technical specifications and environments.

With international credentials earned in over 85 countries, a Royal Warrant and over 165 years of design and manufacturing experience behind us, we are small enough to be agile and responsive, whilst large enough to have the technical and engineering competence needed to be one of the world's leading brands.

Headquartered in Kendal in the English lake district, Gilkes is an independently owned business with circa 160 employees across the world.

We have manufacturing sites in Kendal and Houston, Texas as well as a sales office in Tokyo, Japan.

Our Purpose

Our values-based approach has been shaped from a 165 year heritage as a family-owned business. We believe in developing ethical business relationships with a positive environmental focus that bring about long-term sustainable success. Our people are committed to ensuring that Gilkes' products make a meaningful difference & provide a platform for the transition to a low carbon economy.

People & Culture

We strongly believe that our people are the ultimate differentiator & are at the heart of everything we do. It is their passion, creativity, hard work & dedication that enables Gilkes to grow & prosper.

Gilkes invests in its people & in developing a positive organisational culture.

Our four key values are:

- Teamwork
- Integrity
- Excellence
- Commitment

Current Position & Context

Gilkes is moving fast to adapt to an ever-changing economic environment, ensuring we continue to be relevant in our chosen markets.

The organisation recently carried out a strategic review & adjusted its cost base in response to the pandemic.

Pumps is seeing growth & we have had huge interest in our new small marine pump from all of the big players including Caterpillar, Volvo, Scania & John Deere.

The small Hydro market is trending towards energy recovery & we are well placed to fully exploit this with our current product portfolio.

The Hydro aftermarket, especially in the UK, offers real growth prospects for Gilkes and we are aligning Service, Modernisation and Electrical to take full advantage of these opportunities.
